Notice to Consultants  
SR 520 Bridge Replacement and HOV Project  
General Engineering Consultant***

The Washington State Department of Transportation (WSDOT) solicits interest from consulting firms that would like to provide general engineering consultant (GEC) services working collaboratively with WSDOT to deliver transportation improvements for the SR 520 Bridge Replacement and HOV Project. One (1) Negotiated Hourly Rates Agreement will be awarded. WSDOT anticipates the size of the initial GEC agreement to be in the range of \$10M to \$15M. The GEC amount may range from \$80M to \$100M over the life of the project depending upon the services activated. The duration of the agreement may be up to 10 years. An effective SR 520 WSDOT/GEC Team will be crucial to successful, on-time, and on-budget project delivery.
